

You will find us in Ocean Village Marina – Southampton

We are based in the southern basin of Ocean Village Marina, Southampton at the very heart of the yachting world.

Ocean Village Marina (OVM) is an ideal location, it is easy reached by road or rail (Southampton Central has a 1/2 hourly train service from central London and OVM is only a short bus ride or 5 min taxi journey)

OVM is only a short walk to Southampton's finest restaurants and bars as well as having a Tesco Express on site for those last minute purchases.

A new secure OVM multi story car park is close at hand along with showers and laundry facilities.

Access to the marina can be gained at any state of the tide and Reach 4 the Wind is moored alongside F pontoon.

Reach 4 the Wind will be flying a sky a blue battle flag sporting the "Reach 4 the Wind" logo.

Directions

By road you can reach Ocean Village from either the M27 or from the M3 via A33.

From the West via the M27 exit 3, take the M271 and follow the Dock Gate signs past Town Quay then look for the signs to Ocean Village which should take you to Platform Road.

From the North / East via the M3 and A33 (shortest route and the one I use) M3 southbound – exit junction 14 onto the A33. Follow the signs to the "Docks" and "Old Waterfront", Ocean Village is signposted as you arrive in Southampton.

From either route when in Platform Road, turn right at the first set of lights into Ocean Way, drive past the first cinema on your left. Turn first left and head for the water front if you can see the 'Harbour Lights' cinema you have arrived or very close

Park anywhere in the water front car park. ("Pay and Display" up to 7 pm. we have a number of parking permits or can arrange off site parking.) If all spaces are taken there is a 20 min drop off area near the "Harbour Lights"

From the Car Park looking out over the water our entrance is at the far right corner of the marina (just in front of the Harbour Lights Cinema). There are two pontoon ramps both are fitted with coded gates. The code is constantly changing so please give me a call when you arrive on 07831 431197

Remember any problems please contact me on 07831 431197
